

# Inverness Club

## Golf Course Turf Team Position

### **History:**

Located in Toledo, Ohio the prestigious Inverness Club has cemented its place in professional golf history. With a rich history of hosting major tour events including the 1920, 1931, 1957 and 1979 U.S Opens as well as the 1986, 1993 PGA Championship and 2003 and 2011 U.S Senior Open the Inverness Club is highly dedicated to providing the most elite playing surfaces possible for the best players in the world. The club also has multiple upcoming events including the 2019 U.S Junior Amateur and the 2021 Solheim Cup. Originally designed in 1903 Inverness was purchased on a unique undulated plot of land, in 1916 the club hired Donald Ross to construct a championship caliber golf course.

### **Intern/ Turf Graduate Mission:**

Working with four-time major host and experienced leader, John Zimmers, Inverness is seeking highly motivated and determined interns and turf graduates. Amidst an immense course renovation all interns and graduates will be exposed to all facets of golf course construction as well as our day to day tasks. Interns are expected to have a positive attitude, be prompt and on time in a professional manner and most importantly eager to learn.

### **Responsibilities:**

- Perform all mowing tasks on the golf course. (Greens, Approaches, Tees, Rough and Fairways)
- Rolling
- All aspects of bunker maintenance
- Participate in daily course preparation (selecting hole locations and moving tee markers).
- All types of Aerification and cultural practices.
- Chemical and fertility applications and calibration
- Irrigation and drainage installation, troubleshooting and repair
- All forms of watering on various playing surfaces
- Efficiently leading groups in various tasks

### **Application Instructions:**
